Leading the Way

Guillaume Finck,
Vice President,
The College De Paris.

Hello! I'm Guillaume Finck, the Vice President of the College De Paris International Higher Education Network. Welcome to our MBA programme. Our network consists of 32 schools across five key areas, focusing on Management and Business. We also offer programmes in Art and Culture, Health and Security, IT, and Hospitality.

All our degrees are officially recognised at the Bachelor's or Master's level by the French Government, which translates to global recognition in over 100 countries. This means the value of your education extends beyond just academic achievement. You'll gain a rich student experience in an international environment, learning from both our esteemed faculty and fellow students from around the world.

What this global recognition provides you is true freedom—the freedom to shape your personal and professional journey. Whether you choose to further your education in the United States or pursue opportunities in one of the 100 countries where your degree is recognized, the possibilities are endless.

We have designed this programme to empower you to choose where you want to live your life. We welcome you to our MBA programme at Euclea Business School.

Thank you!

Eligibility

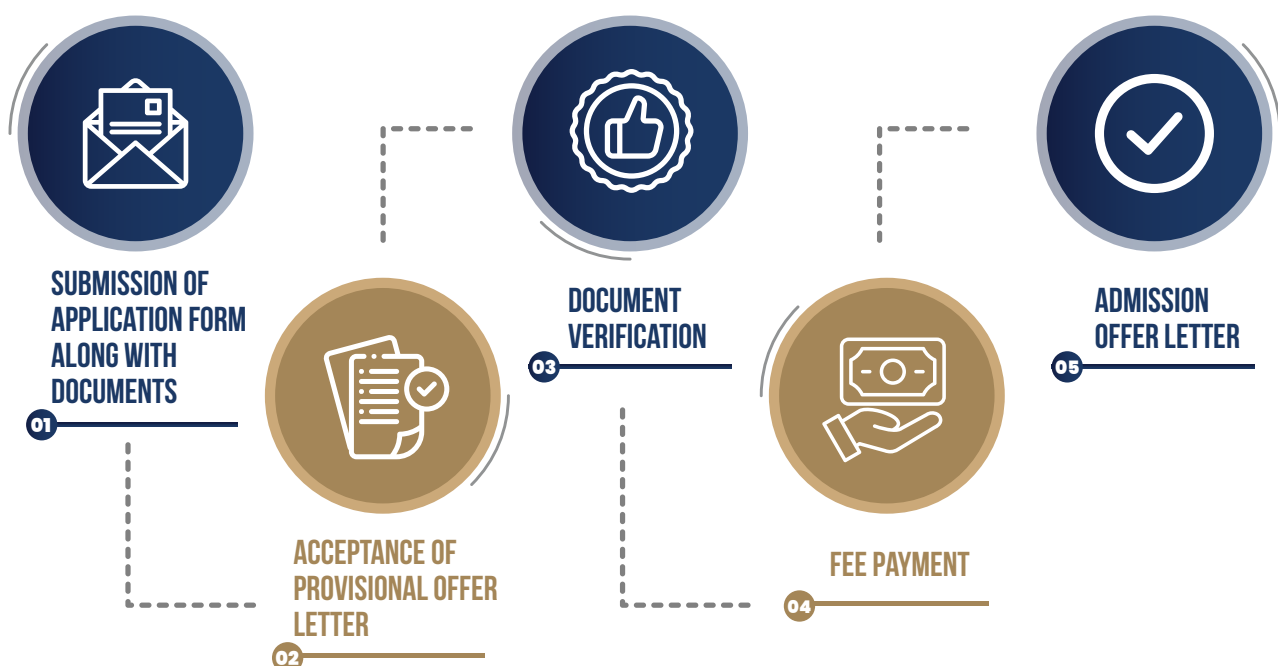

Regular Entry

- Euclea's MBA programme is open for global learners.
- The Bachelor's Degree obtained by the candidate must entail a minimum of three years of education after completing higher secondary schooling (10+2) or its equivalent.
- The applicant must have a minimum of three years of full-time work experience as on the closing date of the respective application window at an officer/executive level or higher, as a professional, or as an entrepreneur.
- Part-time work experience, clerical (non-officer/non-executive) experience and apprenticeship will not be considered as eligible work experience.
- There is no age limit for application to the programme.
- Final admission to the programme will be based on the criteria, cut-offs (if any) and the process as approved by the Admissions committee of Euclea Business School.

Mature Entry

- A minimum of 3 years of relevant, high-quality work experience is required. This experience should include roles with demonstrable responsibility, skill development, and progression in the field of business, management, or a closely related discipline.
- Candidates must provide evidence of competencies typically acquired through an undergraduate degree, including analytical, managerial, and problem-solving skills.

Application Process

Alumni Speak

"The Executive MBA programme from Euclea Business School in International Business gave me the feeling of contentment and accomplishment. The program is delivered in a flexible style and offers the best return on investment compared to other programmes. I would highly recommend it to any working professional looking to earn an MBA degree, save precious time, and take their professional career to an entirely new level."

Mufeed Ahmed

Instashop, UAE

"At Euclea Business School, I am thankful to all the lecturers who supported us and made this course very interesting and interactive. Adding to this, after studying International Business, I have a better understanding on how to oversee a diverse team, perform research within a global context and improve my business performance."

Nisha Shah

Associate Director | Rethink ME

"The Executive MBA programme from Euclea Business School had a significant impact on my professional development. It helped me to develop better proficiency in digital marketing. I was able to apply the skills and knowledge developed in the programme with my job which resulted in several immediate professional successes."
